M.G.N. EDUCATIONAL TRUST

OUR LEGACY : WHERE IT ALL BEGAN

This is the story of roots, the seeds of growth, the fruits of glory and the continuous evolution that has made MGN what it is today.

MGN Educational Trust has been playing a pioneering role in the field of education since 1922 when it opened a Primary School at Montgomery (Now in Pakistan) under the patronage and loving care of Late S. Hukam Singh (Ex-Governor of Rajasthan, Ex-Speaker of Lok Sabha), Bhai Gobind Singh Pasricha and S. Gian Singh Rai. The Trust passed through many ups and downs and had to leave the school behind at the time of partition.

In 1948 the Trust was allotted some land in Jalandhar in lieu of the property left in Pakistan. Once again started the trust of MGN Educational Trust with the residents of Jalandhar and the neighbouring regions from one Primary School that was started in 1948 at Adda Hoshiarpur, Jalandhar. It has now bloomed into eight well established institutions which include two B.Ed. Colleges, three Secondary Schools and three Public Schools.

It was a cherished dream of the Late S. Hukam Singh to impart value-based secular, integrated quality education to children from all walks of life. He visualized a school which would not only educate but teach skills, provides strong moral and ethical values to future generations.

After seeing their hard work blossom in Jalandhar, the beautiful city of palaces, Kapurthala attracted the attention of these farsighted men. They came to know of the Maharaja's desire to sell this "Elysee Palace." So these Prescient men pulled their lifetime savings to procure the palace along with 8.5 acres of land. They made this investment with the sole motive of serving the community through promotion of education. Thus, the Guru Nanak College of Education for Women for B.Ed. and MGN Model School with classes up to class 8th were established.

In response to popular demand of citizens of Kapurthala and in appreciation of an urgent need for a school with state of arts facilities, Major Charanjit Singh Rai and S. Jarnail Singh Pasricha, the then Chairman and Secretary of MGN Educational Trust, ventured in the upgradation of existing school with the latest educational aids and technology. Class room teaching initially started from Palace building while the construction of new school building was initiated. Mrs Harinder Kaur Sraw was appointed as the Headmistress in February 1994 of MGN Public School, Kapurthala which was inaugurated by late Shri Surendra Nath, His Excellency, Governor of Punjab with the strength of 425 students from LKG to 7th. Within the first year, 10 classrooms were completed as a part of the new Academic Block. This block was formally inaugurated by His Highness Brigadier Sukhjit Singh, Maharaja of Kapurthala. Today, it marks a significant milestone in the journey of MGN Public School Kapurthala. As it is aptly said "Big Journey begins with small steps" and by taking small baby steps we could reach our Big Journey. Since then the School has remained steadfast in its commitment in providing quality education to the children of Kapurthala district. Our aim has always been clear to nurture young minds, instill values and prepare them for the challenges of tomorrow. Over the years we have witnessed tremendous growth and progress. Today MGN Public School headed by Mrs. Parwinder K. Walia stands as a beacon of academic excellence, offering value-based education from Nursery to Class 12th across four different streams i.e. Humanities, Commerce, Non-medical and Medical. This diversity empowers our students to pursue their passions and carve their own paths towards success. But our success is not measured merely by academic achievements, it is reflected in the accomplishment of our alumni, who have excelled in various fields leaving an indelible mark on society. As we celebrate our achievements today, let us once again reaffirm our commitment to the leaders of tomorrow, equipping them with the knowledge, skills and values to make a positive difference in the world.

Principal's Message

*"Tell me and I forget, teach me and
I may remember, involve me and I learn."*

- Benjamin Franklin

Dear Parents

It gives me immense pleasure to welcome you to MGN Public School, a place where education is not just about academic achievements but also about nurturing well-rounded, compassionate and responsible individuals. The school is committed to fostering an environment that promotes both intellectual and personal growth, helping students realize their full potential.

At MGN, we firmly believe that education is a partnership between the school, students and parents. We strive to maintain a harmonious and supportive community where every student feels valued, respected and encouraged to explore his/her unique talent. Our dedicated teachers and staff are deeply committed to provide a nurturing environment that combines rigorous academics with a wide range of co-curricular activities, ensuring a holistic education.

Our curriculum is designed not only to meet the academic standards but also to ignite curiosity and foster a lifelong love for learning. Through innovative teaching methods, modern technology and a broad spectrum of subjects, we aim to equip our students with the critical thinking and problem-solving skills required for the rapidly changing world.

In addition to academic excellence, we place a strong emphasis on character building. Values such as integrity, empathy, leadership and respect for diversity are woven into the fabric of our school culture. We offer opportunities for students to participate in community service, cultural programs, sports and other extracurricular activities that

develop leadership qualities, team spirit and a sense of responsibility towards society.

We also foster holistic education that extends beyond the classroom. Our classrooms are equipped with interactive Flat Panels, enhancing the learning experience and making it more engaging and effective. Additionally, our Air-Conditioned classrooms provide a comfortable and conducive environment, allowing students to focus on their studies without distractions. Along with our state-of-the-art facilities, which include sports infrastructure, library, music room, dance studio, art studio and science labs, we offer a comprehensive environment that supports the intellectual, creative and physical growth of our students.

Our vision is to develop young minds that are ready to face the challenges of the future with confidence, creativity and resilience. We aim to inspire our students to become global citizens who contribute positively to society while staying grounded in the values that define our school ethos.

I invite you to be a part of this journey of growth, discovery and success. Together, let us work towards shaping a brighter future for our students—one filled with opportunities, accomplishments and the joy of learning.

Thank you for entrusting us with the responsibility of your child's education. We are proud to partner with you in this exciting journey.

Warm regards
Mrs Parwinder Walia

*"Intellectual Education influences the head, Value based Education influences the heart.
True Education is the training of both head and the heart."*

Our Location

The School is located on the Mall Road, opposite to the General Post Office and just half a kilometer away from the Kapurthala Bus Stand and five kilometers away from the famous Pushpa Gujral Science City.

All About us

MGN Public School, Kapurthala is a premier Senior Secondary School, affiliated to the C.B.S.E. New Delhi. It was founded in April 1994 in the grand 'Elysee Palace'. The school campus spread over an area of 8.5 acres, offers an ideal educational environment and ample opportunities for the multi-dimensional growth of the children.

Vision Statement

Our vision is to develop well rounded, confident and responsible individuals, who aspire to achieve to their full potential. Our vision aligns with shift in the global economy, society and environment which animates our mission and our values.

- **Enlightened Minds :** To create students capable of deciding what is right and shaping the society accordingly.
- **Empowered Citizens :** Education is designed to equip students with the competencies, they need to thrive and contribute to sustainable development in the era of globalization.
- **21st Century Skills :** To make students digitally literate, globally aware and effective communicators. We emphasize on 4Cs - Communication, Collaboration, Critical Thinking and Creativity.
- **Character Building :** MGN defines the main pillar of character to include - trustworthiness, responsibility, respect, fairness, citizenship and aims at developing caring and emotionally stronger, courageous and diligent students.

Our Mission

MGNPS prepares students to understand, succeed and contribute to a rapidly changing society, thus making the world better and more than just a place.

- **Athletics :** To develop the positive value of athletics including sportsmanship, team work, school spirit, co-operation and competition.
- **Spiritual :** To know and obey the will of God and follow the command of the Almighty Lord. To value relationship above material possessions and also serve our fellowmen.
- **Cultural :** To develop positive school climate and school culture and to promote student's ability to learn.
- **Intellectual :** To explore and practice basic skills, make use of community resources, encourage the pursuit of challenging work and appreciate the value of mistakes.

COURSES OFFERED

- **Medical**
- **Commerce**
- **Non-Medical**
- **Humanities**

Aims and Objectives

"Education means that process by which character is formed, strength of mind is increased and intellect is sharpened, as a result of which one can stand on one's own feet."

The Primary Aim of M.G.N. is :

- To create a positive ambience that fosters a desire for learning and lay more stress on Character Building.
- To develop children spiritually, intellectually, socially, culturally and physically.
- To provide every student an opportunity to acquire the knowledge and skill.
- To promote creativity, imagination and expression.
- To explore their own potential.
- To make the students self-disciplined, cooperative and optimistic in life.
- To work in partnership with parents through effective communication.

Infrastructure and Facilities

"Quality education is directly linked with the quality of building and facilities provided."

The School is one of the most vital organizations where initial foundation for learning is laid. M.G.N. provides the best infrastructure to facilitate learning.

- Administrative Block
- K.G. Wing
- Primary Wing
- Senior Wing
- Playgrounds
- Lawns and Gardens
- Separate play area for the tiny-tots
- Splash Pool
- Swimming Pool
- Martial Art
- Shooting Range
- Synthetic Basketball Court
- Lawn-Tennis Court
- Fully Air-Conditioned Class Rooms
- Robotics Lab

"The highest education is that which does not merely give us information but makes our life in harmony with all existence. - Rabindranath Tagore

Educational Modules

Curriculum plays a very important role in shaping the destiny of young scholars. The school follows the syllabi recommended by the Central Board of Secondary Education which advocates imparting not only academic lessons but also lessons of life, self-belief and advanced techniques. Students are prepared for competitive exams through MCQs and regular tests.

Teaching methodology :

- Playway in KG Section
- Learning by doing in Primary Section
- Interactive method in Secondary and Senior Secondary Sections

E-Learning

"Computer literacy is a necessity, not a luxury."

To enhance learning skills and competency, the school has separate computer labs for junior and senior students equipped with 'Intel i3'.

The entire school campus is Wi-Fi enabled with optical cables and high speed internet connection for the smooth conduct of classes and other administrative works. Teachers as well as senior students have access to internet for preparing projects and presentations.

School Management System (ERP)

The School follows the ERP System to manage entire school campus activities, e.g. Students, Human Resources, Fee Payment, Admissions, Attendance, Inventory etc.

Multi-Media Hall

The school has a fully air-conditioned Multi-Media Hall furnished with LCD projector to hold guest lectures, competitions, presentation programmes, workshops and seminars.

Interactive Flat Panels

Technology has completely revolutionised learning. To enhance communication, collaboration and promote functional learning through visual stimulations, Interactive Flat Panels have been installed in all the classrooms to give the students a clear understanding of the well written learning objectives that should be specific, measurable, achievable, result oriented and time bound.

Laboratories

"I hear, I forget. I see, I remember. I do, I understand."
- Confucius

Home Science Lab

The lab is fully furnished with all the latest gadgets to hone the cooking skills.

Physics, Chemistry and Biology Labs

"Millions saw the apple fall, but Newton asked why." -
Bernard Baruch

Labs are vital for innovations. The school has high-tech Physics, Chemistry and Biology labs which encourage students to couple their theoretical lessons with practical examples.

Social Science Lab

With different charts, still and working models, an overhead projector, learning about our past heritage, present surroundings and disaster management becomes easier and more interesting.

Maths Lab

"Our whole life is like solving puzzles." - Erno Rubik
Maths lab is set up to give students hands on experience to understand the basic concept of Mathematics and scope for new innovations. It motivates the students to master Maths skills and problem solving techniques.

Embrace Your Uniqueness

"Art has the power to transform, to illuminate, to educate, inspire and motivate."

Creative Room

"A blank canvas ... has unlimited possibilities".

In this room, the students give expression to their imaginative and creative skills in different disciplines like painting, clay modelling and pottery.

Music Room

"Music is to the soul what words are to the mind."

The students get training in both Vocal and Instrumental Music. They have vast variety of instruments to choose from.

Dance Room

"Dancing is like dreaming with your feet."

Students display their dancing skills in both Indian and Western dance forms.

COUNSELLING Sessions

Regular Counselling sessions are organised which offer students emotional and psychological support to manage academic stress, personal issues, and career guidance. These sessions promote mental well-being and help students achieve their full potential.

Seminars and Workshops

To provide the philosophical and sociological insight and help students learn new skills, develop their understanding and enhance their knowledge, regular workshops and seminars are conducted throughout the year.

Shooting Range

To inculcate self-discipline, focus, concentration and physical coordination, a shooting range has been installed in the school campus.

Book Exhibitions

It's a regular event in the school as it is an excellent opportunity to build students home libraries, promote books, inculcate reading habits and improvise on the critical analysis of an individual.

National Cadet Corps (NCC)

NCC wing has been set up in the school that aims to instil discipline, leadership, and patriotism in students.

Martial Arts Training

Martial Arts training has been introduced for the students, as it involves learning various combat techniques for self-defense, physical fitness and mental discipline.

Fully Air-Conditioned Rooms

All the classrooms have been equipped with Air Conditioners ensuring an optimal setting for studying, working and relaxing.

Shaping Raw Talent Into

High Achievers

Year after year, our students make their Alma Mater proud by excelling in the examinations conducted by the CBSE. All the top positions at the district level are bagged by our meritorious students.

Dream Careers

Montgomeryians get 100% placement in reputed Medical, Engineering and other professional colleges in India and abroad.

Accolades

To recognise the contribution of teachers towards Education, who through their commitment and dedication not only improve the quality of school education but also enrich the life of their students, are honoured with the prestigious FAP award by the federation of Private Schools and Association of Punjab.

Mega Olympia Combat, an Education Igniter aims to create and promote research-based knowledge on various subjects. One of our students Charuvrat Bains of Class IX is the regular three year State Champion in Maths and Gurmannaatraj is the State Level Topper in Science.

By Guru's Grace, Contemplate Spiritual Knowledge;
 read it and study it, and you shall be honoured."
 Sri Guru Nanak Dev Ji

Core values

A character is what one will do if no one is looking. Positive behaviour is natural when a true character is imprinted at a deep level. MGN has profusely envisioned character building and discipline in its students. In pursuance of complete education, we try to incorporate these values amongst them.

Library

"Libraries open up windows to the world and inspire us to explore and achieve."
 The school library is a treasure house of knowledge. It has a collection of books, magazines, newspapers and reference material both for students and teachers. The library has been digitalized, where the students and teachers can access the resources using internet-enabled computers.

International School Award

The school is recipient of the prestigious International School Award for Excellence given by the British Council.

Morning Assembly

Morning Assembly brings the whole school together to pray, celebrate special days and festivals, reward the winners and also to share important information.

School Band

The school is privileged to have a Boys Band Contingent. It makes the school proud by winning laurels at district level functions.

K.G. & Primary Sections

"Children are like flowers; tend to them and they will grow into Something Beautiful."

In K.G. Section the teaching is informal with specially designed aids to promote psycho-motor skills of the little ones. The section has a well laid out flooring which offers children a safe, secure and a very attractive play area.

Passion Unleashed

“ Fuelled by **PASSION** powered by **PURPOSE** ”

“ *Intelligence and skills can only function at the peak of their capacity when the body is healthy and strong* ”
John F. Kennedy

The school has excellent indoor and outdoor games facilities to inculcate discipline, cooperation, sportsmanship and a spirit of healthy competition in the students. A team of well trained coaches and instructors train and guide the students.

"TOGETHER WE CAN, TOGETHER WE WILL"

House System

The school recognizes the importance of both academics and co-curricular activities.

The students are divided into four houses : →

Exhibiendo el Talento

Adventure Awaits ...

"Finding life lessons in the folds of a Map."

Learning and personal development are further enhanced by Trips and Excursions which provide excellent opportunities to travel and experience different cultures.

Medical Facility

"Know your Health, Own your Life."

The school has a well-trained nurse to handle medical emergencies and provide the first-aid.

Parent Teacher Collaboration

To get and give the feedback and valuable suggestions regarding students regular parent teacher meetings are held.

Ramps

Two ramps have been constructed for the convenience of students, parents and elderly people.

CCTV, Firefighting and Safety Measures

Supervision of the school campus is aided by the closed circuit HD CCTV cameras and the Public Address System. Firefighting Equipment is also kept in place to ward off any untoward incident.

Health & Hygiene

The provision of safe drinking water and sanitation facilities in the school is the first step towards a healthy physical learning environment benefiting both learning and health. The school is equipped with RO Water Purification Systems.

Transportation

The school provides transport facility to both students and staff coming from Jalandhar, Sultanpur, selective routes in Kapurthala and nearby villages. Installation of GPS, Speed Governors & CCTV Cameras (at both ends-front and back) ensures safe travelling for our students.

Registration and Admission

Admission is open for all classes subject to the availability of seats. Registration for the new session begins in the month of November each year. Enquiries for the registration will be entertained at the reception counter. Application for registration must be submitted on the prescribed form together with the registration fee (non-refundable). It must be accompanied by a birth certificate duly signed by - The Registrar, Births and Deaths.

Admission will be based on merit. Registration is no guarantee for admission. Original Date of Birth Certificate from the Municipal Council is required for verification which is immediately returned to the bearer.

Eligibility

- A Child seeking admission to Nursery should be 3 years, LKG 4-5 years and UKG 5-6 years as on 1st April of the concerned year.
- Fresh admissions to Class XI are done in the month of April.

Eligibility criteria at Secondary level for :

- i) **CBSE, ICSE & PSEB Students** : 65% marks for Science, 60% marks for Commerce and Humanities streams. Provisional admission for the new entrants will be based on the merit list after qualifying the entrance test.
- ii) Provisional admission will be given to the students already studying in this institution based on their Pre-Board Examination performance.

Note : Admission will be confirmed only after the Board result.

Fee Structure and Schedule of Payment

All charges are subject to change without any prior notice. All dues must be paid by the Parents / guardians either online or offline as per the schedule of payment of school fee. **On late payment of school fee, late fee will be charged as printed on the fee booklet.**

Success isn't just about what you accomplish in your life,
it's about what you inspire others to do ...

Over the years M.G.N. has produced shining stars in various fields, be it Civil Services, Sports, Medical and Engineering who brought name and fame to the school, parents and the nation. They are now serving the society in different capacities. We highly appreciate and applaud them for their hard work and achievements.
